

The initials of Alexander Bed and Breakfast Acres, ABBA, not only represent our name, but ABBA is the name the Bible uses for God, which means "Daddy." Different in meaning than just "Father," this name speaks of the close relationship that is full of security, rest and peace. May the peaceful rest of this country place be yours and may the invitation of God to be your "Daddy" bring peace to your heart!

ALEXANDER BED AND BREAKFAST

This secluded Bed and Breakfast is hidden on a 65 wooded acre farm. Enjoy the peace and quiet as you stroll through the meadows or walk the wooded trails. Unwind in leisure on the wrap-around porch or the sun-kissed gazebo in one of the many rocking chairs.

The cozy front parlor has hand-carved daisies on the mantle of the wood-burning fireplace in remembrance of the daisies in the owners' wedding. Floral polished chintz sofas, curtains of lace, tapestry chairs and living ivies bring warmth

to guests in any season. An antique wooden chess table tucked next to the fireplace provides a reminder of the enjoyment that games bring to our lives. A large entry hall with two sets of double French doors separates the parlor from the formal dining room. Guests enjoy the variety of hearty country breakfasts served with homemade rolls in the dining room every morning.

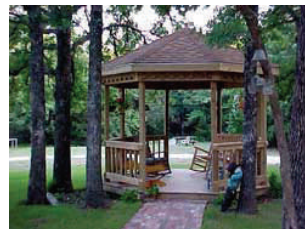

A large split-level, fenced deck along the back of the house surrounds a swimming pool and hot tub. Whether sitting on the deck enjoying the view of the beautiful meadow and trees, swimming in the pool or relaxing in the hot tub watching shooting stars, you will come away refreshed and relaxed.
